All filking is on the lower level. Dealers' Room is in Airport Room just off the lobby.

**Please note:** Davis room lies below hotel bedrooms. The hotel has asked us *very nicely* to eliminate noise in Davis by midnight. This room will remain open for a while for registration and Interfilk processing on Friday, and for Interfilk auction pickup on Saturday. Bramalea, Trudeau and Laurier rooms are under main floor function space and the lobby. They are used for late filking.
