

Zooming in to FK-NO

TTTO Rolling Down to Old Maui / Lyrics Morva Bowman and Alan Pollard (c) 2021

It's been a year full of grief and tears
And it's going on for two
Can't go to cons. Can't sing our songs
In a circle the whole night through.
For the virus loves it when we sing,
And it would bring us low
So now we must make do with just
Zooming in to FK-NO

Zoom on in to FK-NO my friends,
Zoom on in to FK-NO
You won't get sick from the pan-dem-ic
Zoomin' in to FK-NO

There is no rest for last year's guests
They're back again this year
The hall of fame we'll also name
And our new guests will be here
Then the circles will go on 'til dawn
Feel free to come and go
So join us then, we'll have fun when
You Zoom in to FK-NO

Zoom on in to FK-NO my friends,
Zoom on in to FK-NO
You won't get sick from the pan-dem-ic
Zoomin' in to FK-NO

[Repeat Chorus]
